

# BION ONLINE THEORY COURSE

THE BION COURSE IS THE FOURTH AND FINAL IPCP THEORY COURSE FOR THE YEAR, AND WILL BE HELD VIA ZOOM.

KATHARINE FROST AND RICHARD PARRY LEAD A SERIES OF SEMINARS AND REFLECTIVE GROUP CONVERSATIONS ON BION'S MODEL OF THE MIND AND ITS APPLICATION TO CLINICAL PRACTICE. THE SEMINARS INCLUDE AN IN-DEPTH READING OF A SELECTION OF BION'S WRITING AND AN EXPERIENTIAL GROUP PROCESS THAT GRAPPLES WITH HIS IDEAS.

## FACILITATORS

**Katharine Frost** is an Educational Psychologist in private practice. She was the Director of Ububele Educational and Psychotherapy Trust. Katharine was the Head of the Ububele Parent-Infant Programme, a position she held for 10 years. She developed the Baby Mat Project and has authored several articles on the Infant Mental Health interventions at Ububele. She has also presented at local and international conferences. Katharine is a longstanding member of the Ipcp, facilitating Infant Observation Groups. Last year, 2022 she won the Journal PP/ Ipcp Trevor Lubbe Award for the best paper on child work.

**Richard Parry** is a Clinical Psychologist working in private practice in Johannesburg. Richard wrote his thesis on Container Contained entitled: A critical examination of Bion's concept of containment and Winnicott's concept of holding, and their psychotherapeutic implications.
